

What's that Sound?

During the focus the children will have the opportunity to:

- Make instruments using a variety of different materials.
- Talk how their ears help them to listen to different sounds.
- Play a variety of percussion instruments by shaking and banging them.
- Paint to different styles of music.
- Talk about different sounds that they can hear from the world around them.
- Sort sound items by different criteria.
- Talk about music that they like to listen to.

Possible Experiences and Outcomes:

SCN 0-11a and 0-12a

LIT 0-10a

MNU 0-20a

EXA 0-16a, 0-17a, 0-18a and 0-19a
