

Term 3 in LU Primary 1

Welcome to Language Unit Primary 1's class page with Mrs Barclay, Mrs Forbes and Mrs Wiseman

Opportunities for personal achievement

In class, we try to earn points for our school houses through respectful behavior, walking properly in a line and settling to our work quickly. Elmer, our Class Charter help us to remember how to be the best learners that we can be.

Children have the opportunity to earn Star of the Week which is celebrated each Monday at the School Assembly.

If your child has achieved something out with school, please note in the school diary so that it can be recognised and celebrated at our Weekly Assembly.

Interdisciplinary Learning:

This term our IDL will focus on Mini Beasts. This topic will have links to Literacy, Numeracy and Health and Wellbeing.

Literacy:

Listening and Talking: The children experience regular opportunities to share their thoughts and feelings about learning. We will be learning good listening skills and turn taking. Children will participate in a variety of partner and team activities to encourage turn taking, listening to and following others' instructions. Makaton is used within our class to aid communication.

Reading: We enjoy listening to books every day and reading from Dandelion Readers and ORT Reading Books where we will meet the characters of Biff, Chip, Kipper, floppy and Mum and Dad. The children have the opportunity to choose books from the class library and participate in visits to the Community Library.

Writing: Formation of letters will be a focus. We will be learning common words which consist will consist of newly taught letters and sounds. Common words for term 3; go, got, get, if, for, on, be, but, you, his, was, went

Numeracy and Maths:

- Addition to 10 / Subtraction to 10
- Time
- Introduction to Money

Other Curricular Areas:

Health & Wellbeing:

Rights Respecting Schools – Elmer Class Charter
