## Primary 7 Class Assembly (Mrs Gray)

Primary 7 based their class assembly on our 7 school values. The class created scenarios with a good example and a poor example of how these can be demonstrated in our school environment. Our school values are:-

**Friendship**

**Determination**

**Respect**

**Equality**

**Inspiration**

**Courage**

**Excellence**

These values (based on the Olympic Values, linked to our move to this school after London 2012) are embedded in our school ethos and are part of our language that we use in our learning. The values are on display around our school. Well Done and thank you to everyone in Primary 7!

## Students

Throughout the year every class in our school will have a student teacher. This is part of our obligation to develop future teachers and early years workers.

## Traffic on Carlisle Road!

The road markings are now complete on Carlisle Road.

Please consider walking to school, Park and Stride and using the car park on Southfield Road.
